Spelling Note:
This lesson shows the American spelling of the word Theater. Most other English-speaking countries spell it this way: Theatre. Make it a challenge for your students to find this word in the lesson and see if they know the alternate spelling.

Editor’s Note:
Note that supermarket and green grocer’s are common variants of grocery store. Traffic lights, traffic signal, and stoplights are variants of traffic light. A shopping mall is often called a mall for short. Gas station and crosswalk are preferred in North American English, while petrol station and pedestrian crossing or zebra crossing are preferred in British English.
