Editor's Notes:

Depending on the level of your students, this lesson can be broken up (by doing one page per day, for example) or completed all at once.

You could follow up by using our Daily Routines flashcard set. Have students pick up a flashcard and make a sentence using “I” + a simple present verb + “every day” (e.g., I eat breakfast every day), or use the flashcards in an action guessing game (e.g., A: What do I do every day? [mimes brushing hair] B: You brush your hair every day).
