These are tearable puns!

The short fortune teller who escaped walked into a bar. It was tense.

The past, present, and future and it's sweeping the nation.

A new type of broom just came out, and it's sweeping the nation.

The man who fell into an upholstery machine is fully recovered.

It goes back four seconds.

When a clock is hungry, his luggage, sadly, he lost his case.

A man sued an airline company for losing his luggage. Sadly, he lost his case.

A man who fell into an upholstery machine is fully recovered.

Because it is two-tired, a bicycle can't stand on its own.

Because he couldn't find the key, he often broke into song.

Fruit flies like a banana.

Time flies like an arrow.

Writing with a broken pencil is pointless.
